Parent and Student Input

Parent Input Summary:

Parents have identified that Davi's strengths include that he is very focused when doing activities that interest him. Davi has difficulty when he's not doing activities that interest him. There are days when he struggles to listen and and follow instructions. He also has speech difficulties due to apraxia. Davi is successful when he is around people he knows, having at least one person he feels confident with and having well-defined routines. A goal that parents have for Davi is to improve the pronunciation of basic phonemes.

Student Input Summary:

Davi feels that his greatest strengths in school are that he eats his lunches and playing at the playground with friends. A challenge he feels he faces at school is talking to my friends and teacher. A goal he has is to speak properly.

Next Steps and Transitions

Describe the transition.:

Davi will be moving to grade 2 at St. Matthew School.

Provide recommendations to support success with the transition.:

Davi's successful strategies and accommodations will be shared with his new teacher.

Expected Transition Date:

2025-08-29

Year End Summary:

Davi has been working very hard this year to improve his ability to communicate with both peers and teachers in the school. Davi has used a variety of tools and has worked cooperatively with teachers and adults in the building to grow in his learning. An area to focus on next year might be to continue building upon his communication skills. Davi showed a lot of hard work and dedication this year and should continue this in grade 2.

Recommended strategies to continue (Top 5 strategies).:

- modelling
- visuals
- focused small group/one to one when available
- modified assignments/reduced output expectations
- use of timers in the classroom
