Henry is a responsible and caring student who has shown significant growth throughout the year. With support, he is developing independence as a learner and is developing organizational skills. Henry works well with peers, showing respect, kindness, and cooperation in group settings. He listens attentively during instruction and applies feedback to improve his work. It has been a pleasure teaching him this year, and I wish him continued success in Grade 2! Henry receives accommodations and support as outlined in his Learner Support Plan and English Language Learner supports.

ACHIEVEMENT LEVELS
The achievement level reflects the student's progress based on the evaluation of learning outcomes in each course. An asterisk (*) next to the achievement level indicates that the student is receiving programming at a different grade level. See teacher for further information and documentation.
