To whom it may concern,

I hereby declare, as managing partner of Upsigns Comunicação Digital Ltda, that I had Pedro Henrique Delpupo Mauri as a partner from April 22, 2019, to September 23, 2021. Our company provided digital marketing and communication services, and he was an essential part of our team, taking the role and responsibilities of the Commercial & Account Director.

During his time at Upsigns, he demonstrated outstanding skills and commitment to the success of the company. His role was crucial, and he was responsible for developing our digital brand identity and creating all marketing materials such as media kits, brochures, and portfolios. He also created the company's website design, managed social media platforms, and conducted marketing research to elaborate proper strategies.

Additionally, he managed prospecting and current clients' relationships, meeting with them, presenting Upsigns' services, answering RFIs, and sending quotes. Throughout the projects' execution, he was responsible for creating the art and design of the material requested and presenting the final reports.

During his tenure with the company, he worked on a full-time 40 weekly hours schedule and his monthly salary was R\$ 5,000.00 Brazilian Reais paid via wire transfer.

Please do not hesitate to contact me for any further details, doubts, and clarifications.

Yours sincerely,

---
